Welcome to 162 Verdmont Drive -- a thoughtfully maintained, move-in ready home offering nearly 2,000 square feet of heated living space across two floors. Fresh paint throughout gives the home a clean, bright feel! The open-concept main level is designed for easy living, with the kitchen flowing seamlessly into the living room anchored by a gas fireplace. The kitchen is a true standout, featuring white cabinetry, herringbone tile backsplash, granite countertops, a two-basin sink, a large pantry, and a dedicated coffee bar area. The refrigerator conveys. A covered porch off the patio -- complete with a projector screen and patio table and chairs -- makes outdoor entertaining a natural extension of the living space. A powder bath with tiled floors and a hall coat closet round out the main level. The oversized three-car garage features an epoxied floor for a clean, polished finish. All bedrooms are located upstairs. The primary suite offers a generous walk-in closet and a well-appointed ensuite with double vanity, tiled floors, a water closet, and a standing shower with a new shower head. A dedicated office with a good-size closet, two additional bedrooms each with closets, and a hall bath with double vanity, tiled floor, and tub/shower combo complete the upper level. The large tiled laundry room and linen closet add everyday functionality, and plush carpet on the stairs and throughout the second floor adds warmth underfoot.
